

## CERTIFICATE OF RoHS2 ENVIRONMENTAL COMPLIANCE

This Certificate of RoHS2 Environmental Compliance applies to all part numbers within NKK Switches' standard switch and indicator series listed below:

| Series | Segregating Attribute | Exemptions    |
|--------|-----------------------|---------------|
| A      |                       | 6(c)          |
| A      | J2 Antistatic Bat     | no exemptions |
| AB     |                       | no exemptions |
| AS     |                       | no exemptions |
| B      | Non-illuminated       | 6(c)          |
| B      | Illuminated           | no exemptions |
| BB     |                       | no exemptions |
| CB     |                       | no exemptions |
| CB3    |                       | no exemptions |
| CK     | Flat Key              | no exemptions |
| CK     | Tubular Key           | 6(c)          |
| CS     |                       | no exemptions |
| CWSA   |                       | no exemptions |
| CWSB   |                       | no exemptions |
| CWSC   |                       | 8(b)          |
| CWT    |                       | no exemptions |
| D2     |                       | 6(c)          |
| DB     |                       | 6(c)          |
| DSA    |                       | 6(c)          |
| DSB    |                       | 6(c)          |
| EB     |                       | 6(c)          |
| FB     |                       | 6(c)          |
| FM     |                       | no exemptions |
| FP01   |                       | no exemptions |
| FR01   |                       | no exemptions |
| FR01A  | Metal Shaft           | 6(c)          |
| FR02   |                       | no exemptions |
| FS     |                       | no exemptions |
| FT     |                       | no exemptions |
| G      |                       | no exemptions |
| GB     |                       | no exemptions |
| GB2    |                       | no exemptions |
| GW     |                       | no exemptions |
| G3B    |                       | no exemptions |
| G3T    |                       | no exemptions |
| HB     |                       | 6(c)          |
| HB2    |                       | no exemptions |
| HP02   |                       | no exemptions |
| HP03   |                       | no exemptions |
| HS     |                       | 6(c)          |
| IS     | SmartSwitch           | no exemptions |
| JB     |                       | no exemptions |
| JF     |                       | no exemptions |

|        |  |               |
|--------|--|---------------|
| JL     |  | no exemptions |
| JP     |  | 8(b)          |
| JS     |  | no exemptions |
| JW     |  | no exemptions |

| WT  |                | 6(c)          |
| YB  |                | no exemptions |
| YB2 |                | no exemptions |

NKK Switches certifies that as of **April 2006**, none of the substances regulated by the current RoHS2 Directive 2011/65/EU exceed the levels specified in the directive at the homogeneous material level.

This certification is based on information provided by NKK Switches of America and/or suppliers and is accurate to the best of our knowledge.

This certification is valid unless superseded by a revised certification at a later date.

Yohei Takashima
